D) Ghotki

D1) Motorbike Rally & Awareness Session

THF's Ghotki team also celebrated WHD with along with the community members, members of Local NGO Sahkar Foundation, and the local citizens of Daharki city. As per plan, Ghotki team held a Motorbike Rally in which the participation was quite unexpected. Influential people from the community, members and other civil societies were called upon to join their hands with THF in the rally which started from THF Ghotki Field Office at Tarc Engro center to Daharki Press Club.

The basic Moto of the Rally was to make people aware about the various causes of Hepatitis and also emphasize that prevention is better than cure. Leaflets were distributed and announcements were made on the speaker at landmark areas of the city throughout the day. An Auto Rickshaw decorated with banners of The Health Foundation and Loud speakers was also used for the same purpose. Moreover, on each motor bike, the rally participants carried out placards in their hands waving and fixing them on their motorbikes with slogans like "precaution is better than cure." and many others.

Gradually the Motorbike Rally moved throughout the city in the Doctor's Area, Mobile Markets, Shopping Centers, Main Bazaar and finally stopped at Press Club Daharki, whereas THF Coordinator Mohsin Ali addressed people about the purpose of this rally and the importance of the WHD. Importance of the day was highlighted and it was also shared that THF Ghotki is celebrating this
