Shariah Approval for Zakat Funds of
The Health Foundation

Introduction:

The Health Foundation (THF) is a non-profit civil society organization working towards the awareness, prevention and treatment of Hepatitis B and C in Pakistan. The organization is registered with the SECP under section 42 of companies' ordinance 1984, and also licensed with The Pakistan Center for Philanthropy.

THF's "Hepatitis-Free Community Model" involves creating awareness about hepatitis, conducting free screening for hepatitis virus detection, free treatment for hepatitis patients and providing vaccinations for hepatitis B.

Method of utilization of Zakat:

THF's financial needs are being covered by general donations and zakat that individuals and corporates contribute towards. Zakat received by THF is spent on the benefits of deserving beneficiaries. THF management checks out the financial condition of applicants in respect of zakat eligibility and gets zakat agency from the eligible beneficiaries for THF. This constructive tamleek (ownership) enables THF to collect zakat on their behalf and right to utilize it as per eligible needs of beneficiaries.

Shariah Ruling:

To ensure the Shariah compliance of whole zakat process in true spirit, the undersigned company has been appointed as an independent Zakat Consultant to review all Zakat-related documents and procedures. After conducting the review exercise, we hereby certify that THF collects and consumes Zakat funds as per Shariah rules and regulations. It is also confirmed that whosoever will give Zakat to this organization; his/her Zakat will be paid as per Shariah.

May Allah Almighty forgive any mistake in this assignment and grant the management best reward for their services and Allah knows best.
